

Aror University of Art, Architecture, Design & Heritage Sukkur

Department of AI / MMG and Cyber Security

Applications of ICT CSC-102

BS-I Fall 2025

Lab # 01

Name of the student: Muhammad Taha

SAP ID: 5000001141

Department and Section: Artificial Intelligence and Section D

Date: 27/08/2025

➤ Task# 01

Aror University of Art, Architecture, Design, & Heritage Sukkur

Student Bio Data Form

BS Artificial Intelligence

Name: Muhammad Taha

Father's Name: Riaz Ahmed

Surname: Shaikh

Last Qualification: Intermediate

Semester: 1st

➤ Task# 02

Aror University of Art, Architecture, Design, & Heritage Sukkur

Student Bio Data Form

BS Artificial Intelligence

Name: Muhammad Taha

Father's Name: Riaz Ahmed

Surname: Shaikh

Last Qualification: Intermediate

Semester: 1st

➤ Task# 03

Aror University of Art, Architecture, Design, & Heritage Sukkur

Student Bio Data Form

BS Artificial Intelligence

Name: Muhammad Taha

Father's Name: Riaz Ahmed

Surname: Shaikh

Last Qualification: Intermediate

Semester: 1st

➤ Task# 04

Aror University of Art, Architecture, Design, & Heritage Sukkur

Student Bio Data Form

BS Artificial Intelligence

Name: Muhammad Taha

Father's Name: Riaz Ahmed

Surname: Shaikh

Last Qualification: Intermediate

Semester: 1st

➤ **Task # 9: Create A Numbered List As Follows:**

Computer

- Hardware
 - Input devices
 - Output devices
 - Processing devices
 - Storage devices
- Software
 - Application software
 - System software

➤ **Task # 10: Write =rand(2) Then Press Enter. A Random Paragraph Will Be Generated.**

a. Apply Left Alignment, Right Alignment, and Center Alignment and Justify alignment.

- **Left alignment**

Video provides a powerful way to help you prove your point. When you click Online Video, you can paste in the embed code for the video you want to add. You can also type a keyword to search online for the video that best fits your document.

To make your document look professionally produced, Word provides header, footer, cover page, and text box designs that complement each other. For example, you can add a matching cover page, header, and sidebar. Click Insert and then choose the elements you want from the different galleries.

- **Center alignment**

Video provides a powerful way to help you prove your point. When you click Online Video, you can paste in the embed code for the video you want to add. You can also type a keyword to search online for the video that best fits your document.

To make your document look professionally produced, Word provides header, footer, cover page, and text box designs that complement each other. For example, you can add a matching cover page, header, and sidebar. Click Insert and then choose the elements you want from the different galleries.

- **Right alignment**

Video provides a powerful way to help you prove your point. When you click Online Video, you can paste in the embed code for the video you want to add. You can also type a keyword to search online for the video that best fits your document.

To make your document look professionally produced, Word provides header, footer, cover page, and text box designs that complement each other. For example, you can add a matching cover page, header, and sidebar. Click Insert and then choose the elements you want from the different galleries.

- **Justify alignment**

Video provides a powerful way to help you prove your point. When you click Online Video, you can paste in the embed code for the video you want to add. You can also type a keyword to search online for the video that best fits your document.

To make your document look professionally produced, Word provides header, footer, cover page, and text box designs that complement each other. For example, you can add a matching cover page, header, and sidebar. Click Insert and then choose the elements you want from the different galleries.

- **Task # 11: Use Line and Paragraph Spacing option 2.5 on the paragraph generated using =rand(1)**

Video provides a powerful way to help you prove your point. When you click Online Video, you can paste in the embed code for the video you want to add. You can also type a keyword to search online for the video that best fits your document.
